COMPANY PROFILE

For Shenghui Stainless, customer experience is more than anything, the spirit of craftsmanship is our creed, we are committed to becoming the most reliable partner for every voyager's journey.

Shenghui started in 1998, and has always been deeply engaged in the precision casting industry。Now it has more than 3000 kinds of products, which have been sold to more than 110 countries and regions around the world，OEM for many Marine accessories brands.the trust that businesses place in our craftsmanship speaks for itself.

Today Shenghui has become an industry pioneer, and built a 7,000 square meters factory, warehouse covers an area of 2,000 square meters, a number of professional production lines. We insist on the combination of artisan and modern machinery, more than 200 skilled old technicians, 30 experienced polishing workers, 15 professional quality inspection team, any customization needs can be realized here, because a strong team is our base. Ordinary manufactured goods? No, that is not the ultimate answer, we care more about the heritage of the craft and the reliability of the quality, and protect every " navigator".

Together with Shenghui, conquer the ocean
